

Our Mission

Provide a customized career transition service that guides our clients on the right career path through career assessments, resume and cover letter services, interviewing practice, guidance in using the Internet as a source, motivational speeches, and much more. Our Company is outfitted for both companies seeking outplacement service and for individual job seekers.

Companies & universities seeking outplacement support...

We provide personalized outplacement services featuring one-on-one time with a Career Transitions Consultant at pricing below many group seminar-based and individual outplacement modules. Whether the employer is downsizing one or more employees, we provide companies and their HR departments with the means to offer them effective and affordable outplacement services.
